Terms and Conditions

FROZEN SEMEN VIALS (TCI FRIENDLY)

- All frozen vials are sold for surgical implants only. The Stud Master reserves the right to refuse refunds or compensation for failure to do so.
- All breeding females must be registered and have an ACTIVE breeding status.
- A pre-mating swab is required and cleared before release of the frozen semen vial.
- Full payment for the purchase of the frozen semen vial is required prior to release, via bank transfer.
- Once the frozen semen vial is released, the Stud Master will provide the Purchaser and storage facility with a FSI Transfer of Ownership F10 Form. This signed form must be lodged with Greyhounds Australasia with the relevant fee within 14 days as per GRV regulations.
- The Stud Master will provide a refund less 10% if the female does not conceive and the Stud Master is notified within 7 days.
- A frozen semen vial must not be implanted with another female other than stated in application without approval.
- Currently frozen vials are sold only to females on season.

A message from us....

Here at Team Sharp Greyhound Racing, we pride ourselves on best practice. Our passion and love for the athletes and the community, alongside the care and attention of Veterinary practices provides a professional and positive experience for all participants. We look forward to this breeding journey with you and wish you the best of luck.

If you need any assistance or further information we are here to help.

Sincerely,
Jason Sharp and the Team Sharp Racing Team.
